

Dear Sir / Madam

I am Tammy, represent "The Garden Company Limited" to feedback the "Proposed Amendments to the Harmful Substances in Food Regulations (Cap 132 AF)"

We always welcome government propose new regulation which is benefit to our customer, especially on health.

We would like to raise our concerns for your consideration:

- . Raw Material Supervision: Well regulating raw materials which can help manufacturer for regulation compliance
- . Commercial Laboratory: The ability of commercial laboratory can provide testing service on specific harmful substance and also can provide accurate result
- . Food Labelling: If the amendments affect food label, we would like to suggest 3 years grace period

Regards,  
Tammy
